Each year, the credit union awards sixteen \$1,000 academic scholarships to graduating seniors who are members of the credit union and exemplify our credit union's values of personal and civic responsibility. These individuals embody these values through their academic achievements, extracurricular activities, and community service. Their character is highlighted through letters of recommendation from their teachers, coaches, and others. This year, we received so many exceptional applications, that our Scholarship Committee made the recommendation to our Board of Directors to award an additional 15 scholarships. The board approved the recommendation awarding 31 scholarships totaling \$31,000! Congratulations to these outstanding students and best of luck on their continued success!

# Skip-A-Payment!

**Summer Skip a payment is back!** Skip a payment\* on your loan(s) in the month of June, July, or August 2025. Use your money how you want this summer: take that long overdue vacation, finally make home repairs, or start remodeling projects. Check your mailbox for your personalized Skip-A-Payment form, download a form online, or stop by your local branch. If you have questions, please give us a call at **1-800-237-9789** or visit us online at **[www.coosapinesfcu.org](http://www.coosapinesfcu.org)**. Skip-A-Payment forms should be received no later than ten (10) days prior to the due date of your loan(s). This program is not available on all loans. Qualifying loans are listed below. Remember, if you skip your payment, the interest is still charged for that month and will be reflected the following month. Please also note that there is a \$40 processing fee for EACH loan payment skipped.

\*The Skip-A-Payment coupon does not change your current loan payment amount but does extend the term of your loan by one month. Interest will continue to accrue on the loan balance from the last payment date. **Loans excluded from this offer include Visa® accounts, loans greater than \$50,000, loans currently past due, with less than 3 consecutive payments made, with a greater than 30-day delinquency in the past 6 months, with force-placed insurance, charged-off loans, mortgage loans, commercial loans, and/or loans with other than a monthly payment frequency. Loans with rates of 12% or more must be approved by Management. If you have GAP Protection, any amount of the loan that is skipped may not be covered by GAP.**
